

JFK MEDICAL CENTER
MUHLENBERG HAROLD B. AND DOROTHY A. SNYDER SCHOOLS
NURSING RADIOGRAPHY DIAGNOSTIC MEDICAL SONOGRAPHY

APPLICATION DIRECTIONS

This packet contains the application and required forms to help you apply to JFK Medical Center Muhlenberg Harold B. & Dorothy A. Snyder Schools. Please complete the entire application. Use the included Application Checklist for directions and record keeping. The JFK Muhlenberg Snyder Schools' programs admit students twice a year, for either the Fall semester or the Spring semester.

The application must be completed by the deadline. However, it is not necessary to wait until the deadline to apply or take the entrance test. Complete applications are reviewed on a rolling basis and decisions are made. Applicants will be notified by mail.

ROLLING ADMISSION – APPLY ANYTIME
RECEIVE A RESPONSE FOR THE NEXT OPEN SEMESTER.

DEADLINES

FALL SEMESTER DEADLINE: JUNE 15TH

EARLY DECISION DEADLINE: FEBRUARY 15TH*
(LPN applicants must complete application by February 15th)

* (\$75.00 application fee credited toward tuition for those accepted by February 15TH.)

Fall registration begins on or about the last week in March.

SPRING SEMESTER DEADLINE: DECEMBER 1ST

EARLY DECISION DEADLINE: OCTOBER 1ST*
(Accelerated Track applicants should complete application by October 1st)

* (\$75.00 application fee credited toward tuition for those accepted by October 1st.)

Spring registration begins on or about the first week of November.

*For Entrance Test and additional program information, please visit the Schools' website, www.ifkmuhlenbergschools.org.

APPLICANT CHECKLIST

The following checklist is for your record-keeping. Applications and the entrance test must be complete by the appropriate deadline. Applications may be mailed to the Schools or brought in person.

STEP 1: Mail in your application, \$75 application fee (paid online on the Schools' website or by certified check or money order), essay, completed references and the appropriate signed Consumer Information form. References and transcripts may arrive separately, if necessary.

STEP 2: Request **official** transcripts from all the schools you have attended (high school, all colleges, vocational schools, schools of practical nursing, radiography, etc.). Only official transcripts will be considered in processing your application

Official transcripts are those transcripts sent directly from one school to another school without student receipt and include the official seal of the sending school. Official transcripts in envelopes sealed with the respective school's seal, hand carried by the applicant, will also be accepted.

If you attended school under another name, please have the school include your current name as well as your former name(s). This applies to all transcripts and evaluations.

If you have been home schooled, you must also submit a copy of your transcript or home school record. If a home school record/transcript is not available, a GED may be submitted instead. SAT scores, complete recommendation and the essay must be submitted as well.

It is the applicant's responsibility to notify high schools and colleges to forward the requested information directly to the Schools by the appropriate deadline. *Incomplete applications will not be considered.*

FOR HOLDERS OF GED (General Education Development Diploma): You must have your official GED test results sent to the Schools. For information about taking the GED, having scores forwarded, or for more information about the requirements for the thirty (30) college credit route to a state-endorsed High School Diploma, contact

FOR APPLICANTS WITH TRANSCRIPTS FROM

SCHOOLS OUTSIDE OF THE UNITED STATES

Applicants with educational credentials from schools outside of the United States must first have their transcripts translated and **evaluated**. Contact the evaluation agency listed below or another current member of NACES (the National Association of Credential Evaluation Services), www.naces.org, for international transcript evaluations. Allow ample time for processing by the deadline. The Schools are not affiliated with any accrediting agency. **If you would like to receive credit for specific courses that you have**

completed, this evaluation must be done on a course-by-course basis. The evaluation must also include verification of high school graduation.

World Education Services, Inc.,
P.O. Box 5087, Bowling Green Station,
New York, NY 10274-5087,
Telephone: (212) 966-6311, Fax: (212) 739-6100,
Email: support@wes.org
or visit the website, www.wes.org.

STEP 3: Each program requires three complete letters of reference. Make sure you complete your section of the [reference form](#). **The individual completing the letter of reference must complete and sign the form; they must also write a letter of reference.**

- High school seniors, or those who have graduated from high school within the last three years, must include a complete reference from a guidance counselor, teacher or high school administrator.
- LPN graduates must include a complete reference from the director of their LPN program or a faculty instructor (not required if they graduated more than five years ago).
- Applicants, who have previously attended another nursing school within the last five years, must submit at least one letter of reference from either the program's director or from a faculty instructor(s).
- All other applicants must obtain complete references from an employer, supervisor, previous college instructor or any other non-family professional contact who can address character and academic abilities. References from friends or family members are NOT acceptable.
- Applicants seeking readmission to the Schools should consult the Catalog for instructions.

STEP 4: Candidates who graduated from high school within the last three years must submit SAT or ACT scores. This requirement is waived for all other applicants. The Schools' SAT code is 2452. SAT information is available at www.collegeboard.com.

STEP 5: All JFK Medical Center Muhlenberg Snyder School applicants are required to satisfy the appropriate Entrance Test requirements for their program of interest. The Entrance Test evaluates areas that are considered essential for academic success. Applicants register to take the entrance test by visiting www.atletesting.com. Various times and locations are available for testing. Further information is included in this application and is also available on the Schools' website, www.jfkmuhlenbergschools.org.

STEP 6: Applications may be mailed or personally delivered to the Schools,

- **If you are not a U.S. citizen**, you must bring your application in person to the Schools' Administrative Offices. You will be required to show your Permanent Resident card and/or Naturalization paper at that time. Permanent residency is a requirement for school entrance consideration.
- **If you are a licensed practical nurse (LPN)**, you must bring your application in person to the Schools' Administrative Offices. You will be required to show your valid LPN license at that time.

The Schools cannot proceed with your application without this information. This must be done in

person; copies are not acceptable.

STEP 7: The applicant must select **one** of the [essay topics](#) listed on the application and write an essay of 250 words or more. Include this essay when submitting the application.

STEP 8: Read, sign and return the [appropriate](#) Consumer Information Sheet:

STEP 9: Please [complete the survey](#) asking how you heard about the Schools.

It is the applicant's responsibility to submit, or directly forward to the Schools, all the requested information by the appropriate deadline. *Incomplete applications will not be considered.*

All the above materials should be mailed to:

**JFK Medical Center Muhlenberg
Harold B. and Dorothy A. Snyder Schools
P.O. Box 4649
Metuchen, New Jersey 08840
Attn: Admissions**

Upon acceptance, you may be required to take the College Placement Test, the English for Speakers of Other Languages Test and/or the RAD102 Math Test. The information regarding these tests is included in the acceptance packet. All remediation work, if needed, must be completed prior to registering for any credit-bearing courses and will be arranged through the JFK Medical Center Muhlenberg Snyder Schools' Office of Registration and Enrollment.

List all High Schools/Secondary Schools Attended:

POST-SECONDARY EDUCATION is education beyond high school. It includes all courses/programs attended at colleges and technical or business schools throughout an academic year. Each applicant must list ALL courses/programs ever attended.

NAME OF POST-SECONDARY SCHOOL

1.

Name of School	Location
Dates attended	# of credits completed
	Degree/Diploma

2.

Name of School	Location
Dates attended	# of credits completed
	Degree/Diploma

3.

Name of School	Location
Dates attended	# of credits completed
	Degree/Diploma

4.

Name of School	Location
Dates attended	# of credits completed
	Degree/Diploma

5.

Name of School	Location
Dates attended	# of credits completed
	Degree/Diploma

Note: You must list **all schools** attended (including Union County College), even if you took only one course. It is not necessary to attend Union County College prior to applying to any of the JFK Muhlenberg Snyder Schools' programs. However, **if** you have attended, or are currently attending Union County College, you must have achieved a minimum GPA of 2.0. All other admission criteria apply as well.

ESSAY

Please complete one of the following essays on a separate sheet of paper. Your essay should be a minimum of 250 words and typed.

1. Please tell why you would like to become a nurse or medical imaging technologist (specify discipline). Describe some of the experiences that have influenced your decision.
2. If you were able to spend the day with a famous individual, real or fictional, whom would you pick, and why?
3. If you were to write your autobiography, what might it say on page 200?

NON-DISCRIMINATION POLICY

It is the policy of JFK Medical Center Muhlenberg Harold B. and Dorothy A. Snyder Schools to comply with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendment of 1972, Section 504 of the Rehabilitation Act of 1973, the Older Americans Act of 1975, and the American with Disabilities Act of 1991. These laws prohibit discrimination on the basis of race, color, religion, sex, national origin, age, disability or sexual orientation in all educational programs and activities as long as the handicapped person does not present a safety hazard to himself/herself or clients. JFK Medical Center, Inc. is an Equal Opportunity Employer.

Entrance Test Information

AS OF AUGUST 31, 2016, A NEW TEAS EXAM IS BEING RELEASED.

The new exam is called ATI TEAS and replaces the TEAS V exam. Applicants taking the exam on or after August 31 must take the ATI TEAS exam. If one has previously sat for the TEAS V Exam, and earned the required scores, the Schools will accept the results of the TEAS V Exam.

What is the difference between TEAS V and ATI TEAS?

There are content updates and new ATI TEAS preparation materials are available – the sixth edition of the TEAS study manual.

What if you took the test prior to August 31st and you need to retest?

The applicant must study for the new test and the Admissions' Committee will evaluate the two scores.

Can one use a calculator on the new ATI TEAS?

The ATI TEAS being released August 31, 2016, will allow for the use of a four function calculator. Please do not bring your own calculator as a calculator will be embedded within the online version of the exam.

Calculator use is not allowed when taking the TEAS V Exam.

ALL applicants must take the ATI TEAS Entrance Test. Results of the entrance test are considered along with the quality of the applicant's transcripts (particularly the applicant's Grade Point Average in relevant courses), letters of reference and essay, in determining acceptance to the JFK Medical Center Muhlenberg Snyder Schools.

The entrance test measures basic essential skills in Reading, Mathematics, Science, and English and Language Usage. The test questions are multiple choice. These entry level skills are deemed important for health science program applicants.

- The Reading section will require the applicant to interpret data, analyze and draw conclusions from data, as well as apply concepts to a variety of situations. It will also measure the reading comprehension level.
- The Mathematics section includes whole numbers, algebra, measurement and data interpretation.
- The Science portion of ATI TEAS includes scientific reasoning, life and physical sciences, and human anatomy and physiology.
- The English and Language Usage section includes conventions of standard English, knowledge of language and vocabulary acquisition.

HOW DO I REGISTER FOR THE ATI TEAS?

(If registering on or after August 31, 2016, make certain that you register for the ATI TEAS exam.)

Go to the ATI website, www.atitesting.com. This will open to ATI's home page.

1. Click on "Create an Account". This phrase is found on the right side of the home page under "Secure Sign In".

2. Follow the ATI directions and create a User Name and a Password. To “Create An Account”, it will be necessary for you to complete the required sections (the sections indicated in blue). These sections include your name and the name of this institution. Enter JFK Muhlenberg Snyder Schools NJ where the Schools’ name is requested and jfkmuhlenbergschools@jfkhealth.org for the Schools’ email address.

Your test ID will be utilized to register for the exam(s), check you score(s) and interact with ATI’s Customer Service if you have questions, (800) 667-7531.

**If you already have a test ID, fill in your User Name and Password under the “Secure Sign-In” section. You may need to change the name of the institution receiving the test results.*

HOW DO I CHOOSE A TEST SITE?

Once you have your test ID, you will be able to register at a testing location by clicking either entry in the “Secure Sign On” section:

- **REGISTER FOR ATI TEAS** – Testing sites under this entry are located at specific colleges. Make certain that your site is open to anyone taking ATI TEAS and not limited to those applying to the specific college. Follow the online instructions. Registration fees will vary with each site.
- **REGISTER FOR ATI TEAS WITH PSI**– These testing sites have an agreement with ATI. The testing center provides proctor supervised computer sites for the exam. Follow the proper online instructions to register, utilizing your User Name and Password.

If you would like test and study information, please visit www.atitesting.com. ATI’s website provides information on purchasing study material – study guide (sixth edition) and practice exams. General Entrance Test Review Books are also a good review source; they may be purchased at a bookstore or are available at your local library.

HOW DO I INTERPRET MY TEST SCORES?

1. Your results will include your actual scores and your specific problem areas.
2. The first page of your results lists your Adjusted Individual Score and the National Mean Score. Additional pages will explain the questions that were incorrectly answered, as well as offering a Score Explanation and Interpretation.
3. **APPLICANTS SHOULD STUDY for the exam and try to achieve the target, or higher, score in each category.** If the applicant wishes, however, the exam may be taken for a second time to achieve the required scores. The applicant may then send both scores or only the better results. Applicants applying for the Accelerated or Pathways-to-BSN Tracks are expected to earn higher scores.
 - Generic or LPN-to-RN Track applicants should earn 68 or higher in Reading and Math, 60 or higher in the English Language section and 50 or higher in the Science section.
 - Accelerated or Pathways to BSN Track applicants should earn 75 or higher in Reading, Math and English Language; 68 or higher in the Science section.

4. In addition to the TEAS score(s), each program's Admissions Committee will consider an applicant's academic record, particularly their recent high school and/or college grades, the quality of their written essay and their references.

To expedite the application process, you must take the ATI TEAS at an available testing site. The exam is offered at various schools and testing centers; it is not offered at the JFK Muhlenberg Snyder Schools.

- *Applicants for the Spring (January) semester must submit official ATI TEAS scores by the Spring deadline, December 1st; before October 1st if applying for Early Decision.*
- *Applicants for the Fall (September) semester must submit their official ATI TEAS scores by the Fall deadline, June 15th; before February 15th if applying for Early Decision.*

The applicant may take the ATI TEAS exam twice, but the score(s) must be received by the semester deadline. To have your scores sent to the JFK Muhlenberg Snyder Schools, enter JFK Muhlenberg Snyder Schools NJ and jfkmuhlenbergschools@jfkhealth.org when asked during the online registration process. If you encounter any problems, contact ATI Customer Service at (800) 667-7531.

To access your test results, log into your ATI account, under main menu select My Results, click on EXAM and scores should appear. You will need your User Name and Password.

Consumer Information Sheet - School of Nursing

Only Complete for Nursing Applicants

Student Right-to Know

The following information is being provided as required under the Student Right-to-Know and Campus Security Act Public Law 101 542 as amended by the Higher Education Technical Amendments of 1991 Public Law 102 26.

Information on Graduation/Completion Rates

- 89.77% of students graduated in 2015 passed the NCLEX-RN (National Council Licensure Examination) – Registered Nurse Licensing Exam on the first attempt. The national first time pass rate in 2015 is 85.77%.
- 94.6% of graduates are employed in nursing (from A Survey of the Classes of 2008 – 2009, 2009 – 2010 and 2010 – 2011 Graduates of the Cooperative Program in Professional Nursing by the Office of Assessment, Planning and Research – Union County College, January, 2013 Research Report No. 165)

Americans with Disabilities Act (ADA)

The following information is being provided as required by the Federal government, Section 504 of the Rehabilitation Act of 1973. Applicants to the School of Nursing must be able to perform specific skills in order to care for patients safely and perform all the procedures that would be required of a graduate nurse in the work force. The JFK Muhlenberg Harold B. and Dorothy A. Snyder School of Nursing has accepted the following standards for applicants to the program. Corrective devices are allowed to meet the minimum requirements or standards.

To enter the School of Nursing, applicants must be able to:

1. Communicate clearly and succinctly in English to the patient, family and other support staff, both verbally and in writing.
2. Hear a patient talk in a normal tone from a distance of 20 feet.
3. Visually observe the patient in order to assess the patient's condition and/or needs from a distance of at least 20 feet.
4. Read all written medical information pertaining to the patient.
5. Assess all readings and functions of technical equipment pertaining to patient care.
6. Render services and/or assistance to all patients depending on the individual patient's needs and abilities in moving, turning and lifting. Be able to push, pull and lift 40 pounds.
7. Manipulate a stretcher, wheelchair and/or portable equipment within the medical facility without injury to self, patient or others.
8. Draw up sterile solutions without contaminating the syringe and/or needles, etc.
9. Manipulate dials, buttons and switches.
10. Physically be able to administer emergency care including performing CPR.
11. Be able to stand for periods as long as 2 hours and walk a distance of 2 miles during a normal work day.

Consumer Information Sheet - School of Radiography

Only Complete for Radiography Applicants

Student Right-to-Know

The following information is being provided as required under the Student Right-to-Know and Campus Security Act, Public Law 101- 542, as amended by the Higher Education Technical Amendments of 1991, Public Law 1022- 26, and the Higher Education Technical Amendments of 1993, Public Law 103-208.

Information on the School of Radiography Program Effectiveness Data

Of the 17 + 1 (Advanced Placement Student) graduates from JFK Muhlenberg Harold B. and Dorothy A. Snyder Schools' Program in Radiography in 2015, sixteen (16) students passed the ARRT Boards, 93% of first-time examinee pass rate. The majority of the School of Radiography students are "transfer-ins", and, therefore, are not considered first-time, full-time degree-seeking students.

Employment data is not yet available for the 2015 graduates. Of the 2014 graduates, there was 100% job placement within 12 months after graduation.

PHYSICAL/TECHNICAL REQUIREMENTS FOR ADMISSION

Applicants to the School of Radiography must be able to perform specific skills in order to perform clinical assignments of the School and to perform all procedures required of a diagnostic radiographer in the work force.

Corrective devices are permitted to meet the minimum requirements.

1. Communicate in English in order to converse and instruct patients, to relieve their anxiety and gain their cooperation during procedures.
2. Hear a patient talk in a normal tone from a distance of 20 feet.
3. Observe the patient in order to assess his condition and/or needs from a distance of at least 20 feet.
4. Read a patient's medical chart and/or physician's orders.
5. Evaluate radiographs using a view box to make certain that the films contain proper identification and are of diagnostic value.
6. Render services and/or assistance to all patients depending on the individual patient's needs and abilities when moving, turning, getting on and off the radiographic table or stretcher and when moving in and out of a wheelchair.
7. Push, pull and lift 40 pounds.
8. Push and manipulate a portable X-ray machine in turning corners, maneuvering on and off elevators and within a patient's room.
9. Manually move and maneuver the X-ray tube at standard and non-standard heights up to 7 feet.
10. Draw up sterile contrast media and other solutions without contaminating the syringe needle and/or injecting device.
11. Select the exposure factors necessary to produce a radiograph by manipulating dials, buttons and switches.
12. Place X-ray cassettes in Bucky trays and spot film devices and properly manipulate all locking devices.
13. Physically be able to administer emergency care including CPR as necessary.
14. Physically be able to stand for periods as long as 2 hours while wearing lead aprons and to walk a distance of 2 miles during a normal work day.

I have read the above Physical and Technical Requirements for admission into the JFK Muhlenberg School of Radiography. My signature below determines that I am capable of fulfilling these requirements.
