Always refer to the published Academic Calendar, www.ucc.edu, for deadlines to avoid charges.
- Outstanding financial obligations must be paid in full. If you currently have an outstanding balance, you are placed on hold and will be unable to register. - If students, currently in a clinical course, are not registered and/or have not paid the term bill for their next clinical nursing course, they will not be guaranteed a seat in their next nursing course.
- Granted Petition – granted petition means you have been coded in the Union County College computer system to register for the next nursing course. If you have not been coded for a course, you will see an error message – that you have not been granted petition.
